## Roslyn School Chess Club – Spring 2019

Dear Friends,

We are privileged to continue the Roslyn School chess program, which is run by the 2008 U.S. Champion, Grandmaster Yury Shulman. The program will run after school at Roslyn school library on Fridays from 2:45 till 3:45 PM. It is open to K-5 students. Students will be engaged in learning chess, leadership programs, researching and presenting on history and geography related to chess, organizing tournaments, and serving the local community. Chess students will be featured periodically in local and national newspapers, if they wish.

### Structure

Half the students will receive instruction for 30 minutes while the other half will participate in supervised play. The two groups will switch for the next 30 minutes.

Most of the material covered in lessons as well as homework will be taken from our textbook - the 3rd edition of the book "**Chess! Lessons from a Grandmaster**". It is available in class and very much recommended for new students. The price for our participants is \$20, including tax and 25% discount.

After reading and submitting all of the Homework from the book and volunteering requirements, students may achieve Chess Coach Certification. For more information, please visit [http://shulmanchess.com/Chess\\_Coach\\_Certification.html](http://shulmanchess.com/Chess_Coach_Certification.html).

### Program Credentials

Previous participating chess students have achieved higher scores on academic tests, and many have been selected at prestigious colleges.
