

Quest Academy Chess Club – Winter 2021

Dear friends,

We are privileged to restart Quest Academy's chess program. It will run after school on Thursdays from 3:45 till 4:45 PM. It is open to K-8 students. Students will be engaged in learning chess, leadership programs, researching and presenting on history and geography related to chess, organizing tournaments, and serving the local community. Chess students will be featured periodically in local and national newspapers, if they wish.

Structure

- Half the students will receive instruction for 30 minutes while the other half will participate in supervised play. The groups will switch for the next 30 minutes.
- There will be tournaments and team activities as well as opportunities to learn history and geography. Each week, a child will be responsible for researching and presenting information on a Chess Grandmaster, developing public speaking and leadership skills.
- Most of the material covered in lessons as well as homework will be taken from the 3rd edition of the book "**Chess! Lessons from a Grandmaster**" It is available in class. The price for our students is \$20, including tax and 25% discount. There are rewards for puzzle solving, tournament games as well as best achievement awards!

Program Credentials

Previous participating chess students have achieved higher scores on academic tests, and many have been selected at prestigious colleges. For more information and in order to understand the objectives and achievements of the program in which your child will be involved please visit www.shulmanchess.com.
